

**REMARKS:**

Claims 1-3 are currently pending in the application. Claims 1-3 stand rejected under the judicially created doctrine of obviousness-type double patenting over claims 1-3 of U.S. Patent No. 6,874,495 to McFadden (inventor in the present application)("495 Patent") in view of U.S. Patent No. 6,060,701 to McKee et al. ("McKee").

Claims 4-20 are hereby cancelled. Thus, the Applicant respectfully submits that the Examiner's rejection of claims 4-20 is now moot.

**DOUBLE PATENTING:**

Claims 1-3 stand rejected under the judicially created doctrine of obviousness-type double patenting over claims 1-3 of the '495 Patent in view of McKee.

Submitted herewith is a Terminal Disclaimer. It is respectfully submitted that this Terminal Disclaimer obviates the double patenting rejection. It is therefore respectfully requested that this rejection be reconsidered and withdrawn. Furthermore, the Applicants submit that claims 1-3 are in condition for allowance. Therefore, Applicants respectfully request that claims 1-3 be allowed.

**CONCLUSION:**

Filed herewith is a Terminal Disclaimer. Also enclosed is Check # 9672 in the amount of \$130.00 to cover the \$130.00 fee for the Terminal Disclaimer.

Respectfully submitted,

*November 18, 2005*
